SUMMARY

"I am a Full-Stack Web Developer passionate about building scalable and efficient applications. Skilled in front-end and back-end technologies, problem-solving, and collaborating with teams to create seamless user experiences. Eager to tackle challenges and contribute to innovative solutions."

EDUCATION

B.Tech in Computer Science Engineering

Prestige Institute Of Engineering Management and Research

Nov 2022 – July 2026

- CGPA: 7.60

Higher Secondary (12th) | MP Board

Pink Flower H.S School

- Percentage: 90%

Secondary (10th) | MP Board

Pink Flower H.S School

- Percentage: 96.33%

INTERNSHIP

AI Intern

Microsoft & SAP (TechSaksham Program)

Feb 2025 – Present

- Engaging in a 4-week AI internship focused on AI technologies and real-world problem-solving.
- Developing an AI project with mentorship from industry experts.
- Participating in technical sessions and hands-on training to enhance AI skills.

PROJECTS

TravelMitra

Mentor: Dr. Purva Sharma | Team Size: 6

- Key Skills: HTML, Tailwind CSS, React Js, JavaScript, Node.js, Express.js, Mongo DB
