🌐 GautamSutar

## Summary

Aspiring web developer with hands-on experience in web development (HTML5, CSS3, JavaScript, React.js, Node.js, MongoDB). Active contributor to tech communities (GDSC, ACM), organizing impactful events and fostering innovation.

## Projects

### AI-powered Resume Screening and Ranking System

Streamlit App [🔗](#)  
Feb 2025 – Mar 2025

- Developed a machine learning-based system to analyze and score resumes based on job description relevance
- Tools: Python, React.js, Streamlit, MongoDB, Machine Learning
- Mentor: Mr. Somya
- Team Size: 1

### TravelMitra

[github.com/GautamSutar/TravelMitra1](https://github.com/GautamSutar/TravelMitra1) [🔗](#)  
Aug 2024 – Jan 2025

- Tourism-focused web platform highlighting popular and lesser-known destinations with event management and hotel booking features
- Role: Backend Developer (developed server-side logic, integrated databases, ensured seamless functionality)
- Tools: React.js, JavaScript, MongoDB, Node.js, Express.js
- Mentor: Dr. Purva Sharma
- Team Size: 6

## Experience

### Edunet Foundation, AI Intern - TechSaksham Program

Feb 2025 – Mar 2025

- I have completed an internship on the project *AI-powered Resume Ranking System* under the joint initiative of Microsoft, SAP CSR, and Edunet Foundation.
- Gained hands-on experience in AI concepts and applications using React.js, Machine Learning, Streamlit, and Python

## Education

### B.Tech Prestige Institute of Engineering Management & Research, Computer Science & Engineering

2022 – 2026

- CGPA: 7.65/10

### 12th Pink Flower Higher Secondary School, Indore, MPBSE

2022

- Percentage: 90/100

### 10th Pink Flower Higher Secondary School, Indore, MPBSE

2020

- Percentage: 96.33/100

## Publications

### TravelMitra - Enhancing Regional Tourism in Indore Gautam Sutar, 5 others

Jan 2025

IJEASM, Mentor: Dr. Purva Sharma

The *TravelMitra - Enhancing Regional Tourism in Indore* publication by Gautam Sutar and team, published in IJEASM in January 2025, explores a web platform's role in promoting tourism with event management and hotel booking features.
